About Us

BFEC is a public high school within the Halifax Regional Centre of Education (HRCE) that supports both adult and high school aged learners.

BFEC has:

- High Expectations
- Regular school attendance and engagement are essential for student success.
- Part time study for learners who have commitments with children, work, or who might be transitioning back to school.
- Support for learners who are looking to upgrade courses or who may only need a few credits to graduate and would prefer not to return to their home high school.
- Academic and open courses to meet requirements for University and Community College.
- A variety of courses at the grade 10, 11, and 12 level including Math 12, Biology 12 and Chemistry 12.

Supports Available

- Support and career counseling with our guidance counselors.
- Access to a public health nurse in our Youth Health Centre.
- Resources available for students who require academic support.
- Connections to community agencies with our school social workers.
- Educational assessments can be administered by our school psychologist.
- Hands-on learning opportunities in various courses.
